

September 6, 1966

Mr. Donald L. Loring
332 Arlington Street
West Acton, Massachusetts

Dear Mr. Loring:

I checked with Mr. Soar, Town Treasurer, and found we are holding only one check from you for \$200.00. This is bond to cover the street cut on High Street at Hatch Road.

Therefore, I can approve the patching of the street cut on Newtown Road at Patriot's Road, but there is no money to release.

The street cut on Newtown Road at Meadow Brook Road has not been permanently patched.

If any settlement occurs to the patch on Newtown Road at Patriot's Road before paving is completed in Putnam Park, it is expected that suitable repair will be made at that time.

Very truly yours,

David Abbt
Engineering Assistant
